Remaining courses to total 30 units Approved 100 Level Courses⁵

¹ Developmental Accreditation by the Commission on Accreditation for Dietetic Education of The American Dietetic Assn. Graduate student or transfer student opting for a dietetic internship need to have your transcript evaluated at the beginning of your program. For an official DPD transcript evaluation, please see *Dr. Nancy Lu*, DPD Director, CCB 106, (408) 924-3109. To obtain the DPD Verification, you must submit an official transcript indicating your B.S. degree and all other required courses for the DPD have been completed.

² NuFS 201 is to be taken 3 times; the third time is when the student presents their MS Project/Thesis.

³ HPrf 295 is taken after a minimum of one competency exam has been taken and a research topic has been approved by the major advisor and committee, as well.

⁴ NuFS 298 or 299 is taken over a *minimum* of two semesters; additional semesters may be taken as needed. Students must be continuously enrolled in these courses as long as they are working on their research, even though the required 3-6 units have already been completed.

⁵ Remaining courses to reach a total of 30 units can be composed of Approved 100-level courses by completing an extra project/presentation. Contract with the professor of Approved 100-level course *by the 3rd week of the semester* to commit to extra project/presentation. **B** grades or better are required to receive graduate credit for an undergraduate course. Suggested courses: NuFS 104A, NuFS 108A, NuFS 108L, NuFS 109, NuFS 110A,B, NuFS 113, NuFS 114, NuFS 116, NuFS 117, NuFS 118, NuFS 122, NuFS 123, NuFS 133, NuFS 150, NuFS 155, NuFS 190, NuFS 194.

⁶ Food Preparation course prerequisite to NuFS 101 A eg. NuFS 21 or equivalent.
